

St. Clements CollegeBob Minor

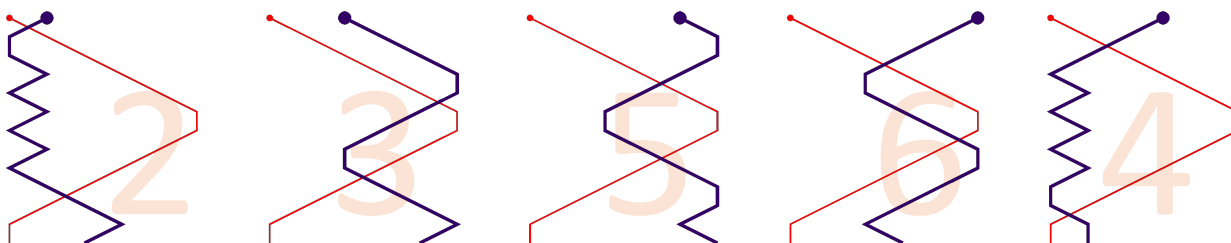

St. Clements is like a Minor version of St. Simons Doubles.

The obvious differences:

3 dodges 1/2 either side of the frontwork instead of 2 for St. Simons.

5/6 dodges instead of 4 blows behind in St Simons.

BUT be careful as they are 5/6 UP then 5/6 DOWN instead of the reverse order in Bob Minor

Bobs

2nds Place Bell becomes 3rds Place Bell

The bob will be called as you are leading about to make seconds

Run out to become 3rds Place Bell

Do all the back work

3rds Place Bell becomes 4ths Place Bell

The bob will be called when you are in 3rds place about to dodge 3/4 up

Instead of the 3/4 up dodge "Make the Bob", do 2 blows in 4ths and become 4ths Place Bell

Run back in and do ALL of the frontwork again

4ths Place Bell becomes 2nds Place Bell

The bob will be called when you are about to dodge 3/4 down after the long backwork

Run in to become 2nds Place Bell

Do the second half of the frontwork

Single

The same as a bob except

4ths Place Bell becomes 3rds Place Bell

Instead of the 3/4 down dodge Make 2 blows in 3rds and run out to do ALL the back work

2nds Place Bell Makes 2nds and is UNAFFECTED
